DON'T ADOPT IR4.0, RIDE IT!

2019 FINANCE SUMMIT

In a bid to push forward on the agenda of IR4.0, our theme this year was 'Don't Adopt IR4.0, RIDE IT'. Experienced practitioners were invited to share their honest and insightful experiences about implementing Robotic Process Automation (RPA) and various automation tools, enabling our participants to understand "the how" in making technology implementation a true success in their organisation.

2018 FINANCE CONFERENCE

FINANCE TRANSFORMATION AND SHARED SERVICES CONFERENCE

The Conference targeted an overview into the different roles within Finance and Finance Shared Services (FSS), as a Chief Financial Officer, Finance Business Partner, Head of FSS and Global Business Services (GBS). It explores briefly into the emerging trend of automation and robotics and this remains the number 1 topic which participants have indicated as their preferred topic for the AGOS Finance Summit 2019
